

# Château Landonnet

*Cuvée les Gambettes*

*Appellation Bordeaux Supérieur*

This wine with a majority of Cabernet Sauvignon comes from grapes from specific plots harvested late, in order to obtain a richness and concentration in sugar to become a great wine for laying down.

The grapes were put in new French oak barrels to remain there throughout the fermentation. All the ladies from Vignobles Jaubert (office, cellar, winery) have made this wine 100% feminine.

This wine has been completed underfull to crush twice a day for 15 days ("GAMBETTES" means legs in popular & old french language)

The nose of ripe red fruits combined with a discreet woodiness gives us an impression of sweetness and transports us. Like its creators, the tannins are of great finesse, melted and silky.

This great wine can be enjoyed on any occasion, today or tomorrow. It will fill your taste buds and enhance any dish you present to it.
